Friday 20th June 2025

Dear Parent/Carer,

Year 6 Leavers – Fun Day

As a treat for our year 6 leavers, we have arranged an exciting Laser Tag session on **Wednesday 23rd July 2025**. The Laser Tag event will be delivered at Horsley Woodhouse Primary School and the children will use the woods and the field for their battles!

Children are to arrive at Horsley Woodhouse Primary School for 9.15am, where they will be greeted by a familiar staff member and will need to be collected at 2.45pm.

With thanks to our PTFA for a generous donation towards this event, the cost of this activity is only £12.00 per child. This is a voluntary contribution to be paid by Friday 4th July 2025 - please pay via ParentPay. If we do not receive enough voluntary contributions, then the activity may not go ahead. The cost covers the hire of the equipment and will also include a Domino's pizza (we will be asking the children in class their preferred topping – cheese & tomato or pepperoni) and cake for lunch.

Due to the nature of the activity, your child will need to wear old, suitable clothing and shoes e.g. sportswear and trainers. As always, please ensure your child is 'Sun Safe', wearing sun cream and a suitable hat. They will also need to bring in a bottle of water to keep hydrated. This activity will still go ahead in the rain, so they may need to bring a waterproof jacket.

In order to take part in this activity, we ask you to remind your child of our high expectations of behaviour. This is especially important when needing to follow instructions from a health and safety point of view. If we deem any pupil's behaviour choices to be such that it would put theirs or others' safety or enjoyment at risk, then this may mean they are unable to take part in the activity with no refund.

Kind regards,

Mrs P Atwal

Executive Headteacher
