Monday 2nd December 2024

Dear Parents/Carers

CLASS R COSTUME REQUEST PLEASE

We are so excited about our upcoming nativity – Snuggle up Stable.

Class R children will be our wonderful animal chorus, singing the special songs throughout the show.

As part of our learning, our children in Class R will be making the costumes during the school day – please can you support this by sending in a plain white t-shirt (please ensure your child's name is on it) by Thursday, 5th December 2024 – we will be attaching some accessories to it and keeping it at school until after the performances.

On the day of the performances (Tuesday, 10th and Wednesday, 11th December) please can children wear their PE kits – consisting of plain black jogging bottoms, a white top, black socks, black shoes/plimsoles or trainers.

PE kit will also be required for Thursday, 12th of December too – thank you.

We will also be using a small amount of face paint on the day of the performances, if your child is allergic to this, then please let us know by Friday, 6th December 2024 by either telling a member of staff or writing in your child's reading diary.

Thanking you in advance for your support.

Kindest wishes and Christmas magic!

Mrs Reckless and the EYFS team
