Headteacher – Mrs P Atwal

Friday 15th November 2024

Dear Parents/Carers

We are pleased to share that we have been invited to take part in a monthly intergenerational music partnership with residents at Smalley Hall residential home and Boogie Beats. The sessions will be run by Boogie Beat Music and Movement (www.boogiebeat.co.uk); the Boogie Beat ethos is based on bringing traditional stories to life through dance and music -

combining the essential elements of early music education with traditional stories, rhymes dancing, role play and instruments.

The monthly sessions are being paid for by Ashmere Derbyshire Ltd and will take place at Smalley Hall, Main Road. Our first session will be on Friday, 22nd November 2024. The children, along with Miss Evans and I, will walk down to Smalley Hall and participate in the 30-minute music session during school time. We are looking for three parent/carer volunteers to accompany us each month on the walk to and from Smalley Hall - timings would be 1.00pm - 3.25 pm. If more than three parents are available, then we will be able to establish a rota system. Please contact the school office this week or let me know on Google Classroom by Wednesday, 20th November 2024 if you are able to support us.

If you have any queries, please call in to see me after school.

Kind regards

Mrs Reckless

Class R Teacher
