After school Computing club

Dear Parents,

Next half term we will be running an after-school Computing club for Year 5 and Year 6 children on a Thursday evening. Mr Redmond, will be leading the sessions. Children will have the opportunity to explore both digital and physical coding systems and create programs and games of they're own.

The club will run on a Thursday and will run straight after school until 4.30pm every week, for 6 weeks, starting on November 7th and finishing on December 12th. There are a limited number of places available, so places will be on a first come, first served basis.

The cost of the club will be £2.50 per week, £15.00 in total payable via ParentPay. Please log on to ParentPay to secure your child's place as this will also act as consent for your child to attend.

Children will not need any equipment or technology of their own, each child will have individual access to everything they need. Collection at 4.30pm will be from school office.

Please inform school if your child is unable to attend any sessions.

Kind regards

Mr Redmond
Year 5 Teacher/Computing Co-ordinator
