**Headteacher – Mrs P Atwal**

Friday, 27<sup>th</sup> September 2024

Dear Parents/Carers

This year, Class 2 will be sharing the school's Harvest assembly with the children in school on Monday, 7<sup>th</sup> October 2024 and then Class 2 parents on Tuesday, 8<sup>th</sup> October 2024 at 10 am in the hall. Reverend Plant will also visit school and share her harvest message to celebrate and give thanks for the wonders of the autumn season.

This year, we are asking for whole school donations for the Salvation Army Foodbank in Ripley. Last year, they provided lots of resources for the children, and we would like to say thank you back by helping the people that they support. There will be a whole school theme to our donations....'Delicious Desserts'!

All donations will be gratefully received and may be brought into school next week and given to your child's class teacher. Tuesday, 8th October 2024 is the final day for donations: thank you in advance for your kind contributions.

Kind regards

Mrs P Atwal

Headteacher
