Headteacher – Mrs P Atwal

Welcome to Class 2. I hope you all had a lovely summer and your child is ready for the new school year. Mrs Needham, Mr Messom and I are really looking forward to getting to know you and your children over the course of the year.

Our Learning

Our topic this term is 'Identity and Diversity', which aims to help the children understand about the similarities and differences between people both in our local setting and in wider contexts. Additionally, it will aid the children's development in their understanding of the factors that contribute to a sense of self-identity and belonging.

English - our core text for this half term is 'Meet the Oceans', by Caryl Hart. Within our writing lessons we will be learning to write a character description, followed by a fact-file.

Geography – linked to the book we are reading in English, we will be learning all about the World's Continents and Oceans.

Art – exploring sculptures, creating an ocean scene.

Maths - learning about place value and numbers up to and beyond 50.

Science - investigating plants.

PSHE - learning about friendships and what it means to be part of a team.

RE - learning about Islam and its beliefs.

Music - exploring simple patterns.

Computing - looking at the information technology around us.

PE – taking place on a **Wednesday** and **Friday**. Please ensure your child is in the correct PE kit, hair is tied up and earrings are removed at home.

We are continuing with our Little Wandle reading scheme and your child will come home with a reading book and school library book each week. Please listen to your child read at home at least three times a week and we will change books on a **Wednesday**.

Please do not hesitate to contact me via the school office or at the end of the day if you have any concerns or questions.

Many thanks,

Miss Abbott
