Dear parents/Carers

We would like to recruit more members for our brilliant PTFA, who help our school with their excellent efforts in fundraising which enhances the experience all our children have in school. This year, the funds raised by the group have ensured that all children benefit. The children in our school have benefitted from contributions to school trips, discos, Christmas fayre, Summer fayre, and Easter tombola. These events raise much-needed funds for the school and help us all feel part of a wider school community.

Recently, membership of the group has dropped and the team would like to hear from anyone who would be interested in joining them. They are a dedicated, hard-working group whom we rely on for so much throughout the school year. They do a great job but could use some more help! It would be great if we could get more of you involved – it is always great to discuss new ideas and share the organisation of key events with a wider team.

Please do let us know if you can help in any way – including helping out in key events such as the Summer fayre which is coming up on 11<sup>th</sup> July.

The next meeting is on Monday 16<sup>th</sup> June at 4.45pm at school so please pop in if you can!

Kind regards

Richardson Endowed Primary School
