

Dear Parents/Carers,

This half term, our class will be learning about Ilulissat based around our texts, 'A Dot in the Snow' and 'The Rainbow Bear'.

To enhance the children's learning about our topic, 'What is it like to live in Ilulissat?' we are asking that the children produce a homework project based on the following ideas.

They could perhaps:

1. Create a tri or diorama about the Arctic.
2. Create an informative poster about the Arctic.
3. Draw a picture of the animals in the Arctic.

These are a few ideas but above all, we want the children to enjoy independent learning.

Children can present the information they research in any way they wish but there should just be one outcome each which shows what they have learnt from their research.

The aim of the home learning project is to spend a little time each week working on the project and bring the result into school on **Monday 23rd February 2026**. On **Tuesday 24th February 2026**, straight after school, parents are invited into the school hall, where projects from all classes will be displayed for you to see in a 'Homework Showcase'.

We are asking parents to spend time with your child, sharing in the preparation and planning, talking together about what they are doing and providing encouragement and support.

We really hope you will enjoy working together and extending your child's learning at school further.

Thank you for your continued support.

Yours sincerely,

Miss Brailsford
