

Dear Parents,

This half term, Class 2 will be learning about the seven continents and five oceans.

To extend the children's learning further, we are asking that the children produce a homework project based on the following ideas.

For the homework project, your child could:

1. Choose an ocean or continent and:
 - Paint / draw or sculpt one of the continents or oceans.
 - Write a description about a continent or ocean. Can you find out any new facts?
 - Make a 3D model or shoebox model.

These are a
above all, we
enjoy
learning.

few
want

ideas but
the children to
independent

Children can present the information they research in any way they wish but there should just be one outcome each which shows what they have learnt from their research.

The aim of the home learning project is to spend a little time each week working on the project and bring the result into school on **Monday 2nd November 2026. On Tuesday 3rd November**, straight after school, parents are invited into the school hall, where projects from all classes will be displayed for you to see in a 'Homework Showcase'.

We are asking parents to spend time with your child, sharing in the preparation and planning, talking together about what they are doing and providing encouragement and support.

We really hope you will enjoy working together and extending your child's learning at school further.

Thank you for your continued support.

Kind regards,
Miss Brailsford
