

Dear Parents,

This half term, our class will continue to learn about the Vikings based around our text, 'The Buried Crown.'

To link in with our learning in Art and to extend the children's learning about the Vikings, we are asking that the children produce a homework project based the following ideas.

They could perhaps:

- Create a model of a Viking longship or longhouse.
- Design a piece of art inspire by Norse folklore.
- Write a diary of a Viking raider.
- Create a poster using Viking runes.
- Create a presentation about the Vikings

These are a few ideas but above all, we want the children to enjoy independent learning.

Children can present the information they research in any way they wish but there should just be one outcome each which shows what they have learnt from their research.

The aim of the home learning project is to spend a little time each week over the next four weeks working on the project and bring the result into school on **Monday, 16<sup>th</sup> June 2025 and then on Tuesday, 17<sup>th</sup> June 2025**, straight after school, parents are invited into the school hall, where projects from all classes will be displayed for you to see in a 'Homework Showcase'.

We are asking parents to spend time with your child, sharing in the preparation and planning, talking together about what they are doing and providing encouragement and support.

We really hope you will enjoy working together and extending your child's learning at school further.

Thank you for your continued support.

Yours sincerely,

Mrs Ellis and Mrs Nunez
