**Executive Headteacher – Mrs P Atwal**

Thursday 24<sup>th</sup> April 2025

Dear Parents/Carers,

### **Year 5 Trip to National Space Centre, Leicester**

As part of our Science topic this year, we are planning a visit to The National Space Centre on Monday 30<sup>th</sup> June 2025. We will be exploring the centre, which includes a tour of the rocket tower and an experience in the interactive photo booth, watching a planetarium show and learning some fascinating facts all about our solar system.

Our PTFA have very kindly donated £10 per child to contribute towards the cost of the trip. We are therefore asking parents for a voluntary contribution of £20.00 to be paid by Friday 6<sup>th</sup> June 2025 please, via ParentPay.

Children will need to wear their usual school uniform for the trip and sensible footwear for exploring the centre. Your child will also need to bring a packed lunch with them – healthy snacks and still drinks please. If you have any problems arranging this, or if your child is in receipt of free school meals and would like to book a school packed lunch, please contact the office in advance. No spending money is required as the ticket entry includes a gift.

The coach will be departing school at 8.45am prompt and will return to school as approximately 3.45pm.

We'd be grateful for any parent or carer volunteers to accompany us on the trip. If you are interested, please speak to Mrs Ellis.

If you have any questions regarding the trip activities, cost or lunch arrangements, please contact the school office or come and have a chat with us.

Kind regards,

Mrs Ellis and Mrs Nunez

Class 5 Teachers
