Wednesday 12th March 2025

Dear Parents/Carers,

We are always keen to support this charity at Richardson Endowed as it makes such a positive impact on so many lives. This Red Nose Day, on 21st March 2025, let's celebrate 40 years of going big, giving big, and feeling good together.

This year, Comic Relief have also stated that some of the Red Nose Day donations will be used to support needs across the world, including the UK.

As always, we aim to give our children here at Richardson Endowed a voice and the School Council have decided that they would like to wear something red on Friday 21st March (Red Nose Day) to raise money for this most worthy charity. We are also dressing as 80s rock stars to celebrate 40 years of this charity AND to celebrate International Day of Mathematics for our time tables rockstars activities. Please note the TTRS Rockstars day has been postponed to coincide with this event.

To clarify:

- On Friday 21st March (not Friday 14th March):
- Donate via Parent Pay for Red Nose Day
- Children may wear red nose accessories or red clothing
- Children may also choose to wear 'Rock Star' or 80s clothing for TTRS activities
- Your children are welcome to wear any red nose day accessories with their rock star outfits.

Kind regards

Mrs P Atwal
Executive Headteacher
