Executive Headteacher – Mrs P Atwal

Dear Parents / Carers,

We hope you enjoyed the half term break and are feeling refreshed for another busy and exciting half term.

Our core text for this half term is 'The Girl and the Dinosaur' by Hollie Hughes. We will be using this story to write simple character descriptions, postcards and also to support our History work, learning about Mary Anning.

In Maths, we will be using numbers up to 50 (ordering, comparing and partitioning) and then moving onto measurement (length, weight and capacity) as we reach the Easter break.

Our Science lessons will initially focus on the seasons and then the human body, in particular our 5 senses. In our Art lessons, we are looking forward to finding out about Andy Goldsworthy.

Our PE days continue to be Tuesdays and Fridays. Please remember to wear PE kits on these days and name any fleeces or hoodies. We sometimes have quite a pile by the end of the day!

We are working hard on our phonic skills and beginning to think about alternative spelling patterns. Please continue to support children by listening to them read regularly and encouraging them to apply their phonics whenever they are reading new words (whether in a book or out and about)

Please ensure only **water** is in water bottles and that any morning snacks from home are fruit.

We are looking forward to our parent's evenings but please feel free to come and see us if you have any questions in the meantime.

Kind regards,

Mrs Macdonald and Mrs Rodgers

Kind regards,
Mrs P Atwal
